Town Warrant

COMMONWEALTH OF MASSACHUSETTS

FRANKLIN, ss.

To either of the Constables of the **Town of Northfield** in the County of Franklin. Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the Town Hall in said Town, on Monday, February first, 1937 at 10 o'clock in the morning, then and there to act on the following articles:

Article 1. To hear the reports of the several town officers and act thereon.

Article 2. To choose all necessary town officers for the ensuing year, the following to be on one ballot: Town Clerk, Town Treasurer, three Selectmen for one year, one Assessor for three years, Town Moderator for one year, two Library Trustees for three years, one School Committee Member for three years, one Cemetery Commissioner for three years, Tree Warden for one year, Tax Collector for one year, three Constables for one year, one Constable for one year, a resident of Northfield Farms. The polls may close at FIVE O'CLOCK P. M.

Article 3. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws: any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1937, and raise and appropriate a sum of money for the same.

Article 4. To see if the town will raise and appropriate a sum of money for the use of the Library at Northfield Farms or act thereon.

The Finance Committee recommend $50.

Article 5. To see if the town will raise and appropriate a sum of money to be used by the Tree Warden in the care and preservation of shade trees or act thereon.

The Finance Committee recommend $100.

Article 6. To see if the town will raise and appropriate a sum of money for lighting the streets, or act thereon.

The Finance Committee recommend $3,000.

Article 7. To see if the town will raise and appropriate a sum of money for oiling, or using some other material to lay the dust on the principal streets or act thereon.

The Finance Commtitee recommend $1,500.

Article 8. To raise and appropriate such sums of money as shall be necessary to defray town charges for the ensuing year, or act thereon.

The Finance Committee recommends the following appropriations:—

Schools	**$33,000**	**Old Age Assistance**	**$7,500**
Treasurer	**350**	**School Committee**	
Treasurer's Expense	**60**	**Salary**	**150**
Bridges	**500**	**Contingent**	**1,800**
Soldiers' Relief	**1,000**	**Inspection of Meat**	
Alexander Hall Re-		**and Slaughtering**	**150**
pairs $50, Misc. $75	**125**	**Elections**	**100**
Snow Removal	**3,500**	**Fire and Casualty**	
Inspection Animals	**125**	**Insurance**	**1,500**
Fire Department	**700**	**Sealer**	**150**
Maintenance Water		**Accountant Salary**	**400**
Holes	**100**	**Accountant Expense**	**30**
Dept. of Public		**Town Hall Care**	**1,500**
Welfare	**6,500**	**Alexander House**	
Town Clerk	**200**	**and Barn**	**100**
Town Clerk's Expense	**25**	**Assessors**	**650**
Selectmen's Salary	**600**	**Public Health**	**350**
Road Machinery Fund Appropriate from Machinery account	**1,000**		

Article 9. To determine the salary of the Tax Collector, or act thereon.

The Finance Committee recommend $400; expense $125.

Article 10. To see if the town will empower the Selectmen to defend the town in any suit brought against the town or act thereon.

Article 11. To see if the town will raise and appropriate a sum of money to be used in the extermination of the Gypsy Moth or act thereon.

The Finance Committee recommend $700.

Article 12. To see if the town will raise and appropriate a sum of money to defray the expenses of a Community Nurse, or act thereon.

The Finance Committee recommend salary $1,200; expense $50.

Article 13. To see if the town will raise and appropriate a sum of money to be used in putting up railing, or act thereon.

The Finance Committee recommend $500.

Article 14. To see if the town will raise and appropriate a sum of money to pay the interest and note due on the Town Hall debt, or act thereon.

The Finance Committee recommend $3,120 from excess and deficiency fund.

Article 15. To see if the town will raise and appropriate a sum of money for a reserve fund for the current year or act thereon.

The Finance Committee recommend $2,000 from excess and deficiency fund.

Article 16. To see if the town will raise and appropriate a sum of money for the care and preservation of cemeteries or act thereon.

The Finance Committee recommend $300.

Article 17. To see if the town will authorize the Selectmen to enter into contract with the Board of Public Works Division of Highways, for repair and improvement of roads and highways, exclusive of State Highways and raise and appropriate a sum of money for that purpose or act thereon.

The Finance Committee recommend $4,950.

Article 18. To see if the town will raise and appropriate the sum of $937 for use of Dickinson Memorial Library.

The Finance Committee recommend $937 includes dog fees and book fines of 1936.

Article 19. To see if the town will raise and appropriate any sum of money to co-operate with the State and County in buiding a section of permanent highway on Warwick Road in accordance with Chapter 90 of the General Laws or pass any vote or votes in relation thereto.

The Finance Committee recommend $1,000.

Article 20. To see if the town will raise and appropriate a sum of money for Memorial Day exercises, the same to be expended under the direction of the Sons of Veterans and the American Legion, or act thereon.

The Finance Committee recommend $100.

Article 21. To see if the town will vote to pay a bounty of twenty cents each on hedgehogs and raise and appropriate the sum of $25 for that purpose or take any vote or votes in relation thereto.

The Finance Committee recommend $10.

Article 22. To see if the town will raise and appropriate a sum of money to be used for spraying trees on or near some of our highways or act thereon.

The Finance Committee recommend $100.

Article 23. To see if the town will vote to appoint a clerk for the Public Welfare and Old Age Assistance and raise and appropriate a sum of money for the expense of the same or pass any vote or votes in relation thereto.

The Finance Committee recommend $360.

Article 24. To see if the town will raise and appropriate a sum of money to be used in connection with the WPA or any other Project work or act thereon.

The Finance Committee recommend $2,000.

Article 25. To see if the town will vote to install a street light near the residence of Mrs. Leila Allen on Main Street or act thereon and appropriate any money for the same.

Article 26. To see if the town will vote to raise and appropriate the sum of $49.36 to pay an overdraft on the Library account of 1936.

Article 27. To see if the town will raise and appropriate a sum of money to pay for police services or take any vote or votes in relation thereto.

The Finance Committee recommend $300.

Article 28. To see if the town will vote to raise and appropriate a sum of money for building sidewalks or act thereon.

Article 29. To see if the town will vote to place a "D. L. Moody Tablet" in the Town Hall or take any vote or votes in relation to a memorial to Mr. Moody, and raise and appropriate a sum of money for the same.

Article 30. To see if the town will continue to hold a Town Caucus for the nomination of Town Officers or return to the former method of having Party Caucuses, or act thereon.

Article 31. To see if the town will vote to elect their Selectmen, one officer each year for a term of three years, thus always having two members on the Board that have served the previous year, or act thereon.

Article 32. To see if the town will raise and appropriate the sum of $50.00 for lumber, paint and hardware for bleachers and players' benches for the new playground, or act thereon.

Article 33. To see if the town will raise and appropriate a sum of money for care of the Athletic Field.

The Finance Committee recommend $100.

And you are directed to serve this Warrant by posting up attested copies thereof at the Post Offices in Northfield, East Northfield, West Northfield, at the School House in District No. 6 and the store of F. V. Wood at Northfield Farms seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this sixteenth day of January, in the year of our Lord one thousand nine hundred and thirty seven.

FRED A. HOLTON
CHARLES S. TENNEY
GEORGE W. CARR
Selectmen of Northfield

Report of Selectmen

We respectfully submit for your consideration our report for the year ending December 31, 1936. Also the reports of the several committees and departments.

We have carried on the affairs of the town according to our best judgment, under existing conditions.

We have not asked the town to raise large sums of money, or to go into debt for the repairing of flood damages, because we were advised to make temporary repairs and apply for State and Federal help which has been promised.

We are attaching Dr. Lee's report, which will explain, better than we can, the relation between the local Board and the State Health officers.

FRED A. HOLTON
CHARLES S. TENNEY
GEORGE W. CARR
Selectmen of Northfield

Report of
Board of Health Agent

To the Town of Northfield:

I hereby submit my annual report as agent of the Board of Health of Northfield.

The Town of Northfield became a part of the Franklin County Health District when, on October thirteenth, 1936 the Board of Health appointed Walter W. Lee, M. D., and Mr. Paul Doneilo, Milk Inspector. Thus all the facilities of the Franklin County Health District became available to the town of Northfield.

The status of Northfield now is quite different from that proposed by the State Department of Health last year and voted against at the meeting of 1936. The proposal, at that time, was to set up in Franklin County a public health unit which would render complete health service including epidemiology, sanitation, laboratory, dental hygiene and nursing service. This unit was to be operated and controlled locally through an executive committee composed of the members of the boards of health of the participating towns.

When the towns of the county voted not to set up such a service of their own, the State Department of Health established in Greenfield an office and laboratory which offered to all towns of Franklin County the same service as was offered at the last town meeting, with the exception of the nursing service, which services are available without cost to the

towns. In order that the service will have official status in a town, it is necessary that the State District Health Officer be appointed agent and the Sanitary Officer, Milk Inspector. When these appointments are made all services of the district become available to the town if the town officials care to use them and the services may be discontinued at any time for any cause at the will of the local Board of Health, according to Section 30 of Chapter 111 of the General Laws of Massachusetts. The State District Health Officer and the State Consultant in Public Health Nursing still function entirely in an advisory capacity in the entire county, exactly as in past years. Milk inspection, laboratory examination of milk and water and dental hygiene services are available only in those towns which request the service.

A list of children living in the town and born since 1929 has been compiled. Letters are sent to the parents of these children as they become six months of age, or as soon as possible after, urging the parents to have them immunized against diptheria. According to our records, out of a total of one hundred and sixty-one children born since 1929 one hundred and six have not been immunized. An effort should be made in 1937 to have as many of these children immunized as possible.

There were forty cases of communicable diseases reported, half of which were mumps. There were only two cases of scarlet fever reported. These two were obviously part of the Mt. Hermon epidemic. One was a member of the Mt. Hermon staff and the other was his child. When the epidemic started at Mt. Hermon, rigid quarantine was established at the school. Members of the Mt. Hermon staff were asked not to go into Northfield to attend social functions, but were not prevented from going about when on business.

Miss Juliet A. Whittaker, Consultant in Public Health Nursing, spent some time assisting the new local town nurse in estabishing herself. She also assisted in the organization the Well Child Conference and was present when it was conducted. There were thirty-five children brought for examination. Dr. Clare Manwell, pediatrician of Northampton, was employed as examining physician.

The services of our Dental Hygienist, Miss Lois Terwilliger, have been offered to the school dentist for assistance in the school dental program, but at the time of writing have not been accepted. She did, however, inspect the teeth of the pre-school children attending the Well Child Conference.

The services of the State Department of Health, which are available to all school committees in the state, for examination of school children by tuberculin test, x-ray and physical examination by members of the staff of Westfield Sanatorium without cost to the town, have been offered to the School Committee of Northfield, along with other towns of the county. All school committees of the county have requested this service except Northfield and two other towns of this Superintendency Union. This service is of extreme value in picking up early cases of tuberculosis which, when found, can be given whatever care is needed and opportunity is afforded the town a chance to treat these cases in the early stages which expense cuts so heavily into Board of Health appropriations. Also a neglected case by the time it reaches this stage has often passed on the infection to family contacts who years later will probably be town charges in sanatorium.

Mr. Doneilo has made a sanitary survey of the town and has found eight milk producer-dealers. These dairy farms have been found to be in satisfactory condition. Milk

samples collected and examined at the laboratory of the Franklin County Health District were found to have an average butter fact content of 4.15 per cent and bacterial counts varying between 57,000 and 8,500. There are two pasteurization plants in the town. One has been remodeled with new equipment and put in good operating condition. The other one has also been improved by addition of new equipment.

Pasteurized milk examined in the Franklin County Health District laboratory showed an average butter fat content of 3.9 per cent and a bacterial count varying between 500 and 100.

The laboratory of the Franklin County Health District is now equipped to examine samples of water from private water supplies, which service is available on request to all persons in the town.

Respectfully submitted,

WALTER W. LEE, M. D.

Agent, Board of Health

Greenfield, Mass.

Report of Finance Committee

The Finance Committee held meetings on August 29, 1936, December 14, 1936 and January 11, 1937.

At the meeting in January the appropriations for the coming year were carefully considered and you will find our recommendations printed in connection with the town warrant.

We recommend the following amount be appropriated from the surplus revenue account.

Note and interest due on town hall debt	$3120.00
Reserve Fund	2000.00

Report of the Town Clerk

Vital Statistics

It is extremely important that the **Vital Statistics** record be complete and correct. If any errors or omissions are discovered the Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 46, Section 15, General Laws of Massachusetts:

Notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians, and registered hospital officers applying for the same.

JOSEPHINE S. HASKELL, Town Clerk

Report of the Trustees

OF DICKINSON MEMORIAL LIBRARY

The chief item of interest in the management of the Library during 1936 was the installation of a new oil burning furnace, for which an appropriation was made at the last town meeting. After some regulation this plant is working successfully.

As usual the Library has been the recipient of several gifts during the past year. These have been acknowledged to the donors or their representatives.

The change in time for opening and closing has greatly convenienced many of our citizens and contributed to the uninterrupted efficiency of the work of the Librarian.

A statement of additions to and circulation of books during the year will be found in the report of the Librarian.

Respectfully submitted by the Trustees,

MRS. NELLIE M. WOOD
MRS. MARINA P. STANLEY

LIZETTE L. VORCE, Librarian

Report of Cemetery Commissioners

The cemeteries have had the usual care and oversight the past year. The front road at Central Cemetery has been graveled and is much improved. We ask for an appropriation of four hundred ($400) dollars to care for the cemeteries during the year of 1937.

Bills have been approved for the care of the cemeteries of $919.77. The appropriation for the graveling of the roads was $100 and against this amount bills were approved totaling $99.55 leaving an unexpended balance of 45 cents.

Open January 3, 1938

By State Law, High Schools must be maintained 180 days and Elementary Schools, 160 days. The close in June may be delayed beyond the state dates should it be necessary to meet this requirement.

Report of School Superintendent

To the School Committee
and
Citizens of the Town of Northfield:

Herewith, I submit the annual report of the School Department for the fiscal year, 1936. This is the twelfth report of the present superintendent, and covers the last part of the 200th and the first part of the 201st year of the Public Schools of the Town of Northfield.

Part One — ORGANIZATION

A rather large number of changes in the teaching force took place during the year.

Miss Eccles, Household Arts teacher in the High School resigned at the close of the school year in June and Miss Charlotte B. Casey of Easthampton, a graduate of Mass. State College was elected in her place. In the East School, Miss Corkum resigned in June and Miss Katherine Eichert was placed in her room. During the Fall term, Miss Leah Torri resigned to be married and Mrs. Esther Williams, who formerly taught in No. 3, took her place. Miss Dorothy Ingham left for an advance in salary and position in Foxboro and Miss Elizabeth Bond was given the place. Miss Virginia Fish was elected in Greenfield and Miss Verna Eastman was placed in the position. At the close of the Fall term, Miss Marion L.

Mann, who has been the French teacher for several years, resigned. Miss Elizabeth Eastman, a graduate of Keuka College is assigned the position.

There has been a feeling among all those intimately connected with the High School, that the executive head of the school should be a man; but we have had no one in view who could maintain the standing that we have held as a school, until this year. In Mr. Cobb we felt that we had a man of the ability and efficiency we insisted on. Accordingly, Miss Lawley accepted the position of vice-Principal and Mr. Cobb became Principal. He has had the training necessary for use of the Athletic Field, in addition to high scholastic ability. We feel that the change has the approval of all of us, and has had an excellent effect upon the attitude of the boys toward the school and its work.

The Athletic Field:—Nothing that has taken place in recent years has been so much appreciated as the playground in the rear of the High School building. Mr. Cobb brought a supply of material and we have purchased a few things. At recess and at all other spare times, classes in physical training have been assembled on the field, girls at one end, boys at the other, under charge of trained teachers. After physical exercises, organized games were played. Closer connection between the Medical Department and physical training must be arranged, to be of the utmost profit to all the pupils.

For this reason, competitive athletics with surrounding High Schools should be deferred until we are sure that overstrained hearts, injured joints and strained ligaments will not result.

Meanwhile the field will be used to its full capacity by both High and Grade Schools.

Buildings and Equipment:—Incidental repairs have been made in each of the buildings, as necessity arose. Much the larger work, amounting to complete alteration, was done on the West School. This was begun during the preceding year, has been carried along during this year, but two or three more years will be required before the work will be entirely finished. The basement was completed, ready for the installation of a heating plant and complete sanitation. As a sufficient amount of money was not available, we completed the cement work, reset our old furnace, installed what toilet equipment we had, adding only what was absolutely required, and have run the school this year with this limited equipment. So far as we have gone, the improvement is marked. A fire-escape, always a confession of wrong construction in the first place, was placed on the back of the building. Doing all we can each year, we shall have a modern building, in the near future. To do the work outlined above, required the appropriation of $550 for repairs, about $975 we were able to save out of our regular budget and the sum of $1,095 which the Finance Committee transferred for our use. This compelled us to postpone much that we had planned to do and for which we must plan this year in the other buildings.

Part Two — STATISTICAL

School Census — October 1, 1936

The defeat of the proposition of enlarged facilities for our High School pupils has not altered the facts. We have en enrollment entirely too large for our building. Our rooms are over-crowded so that we are unable to give them the training to which they are entitled and that other cities and towns are giving their young people. Northfield is completely surrounded by a circle of towns that are giving their pupils proper fit for life. Two towns, Hinsdale and Athol, are completing their plans for modern equipment, Turners Falls is now finishing a plant which will be a model, and the others are well equipped. We should consider these facts seriously and enlarge our plant to meet our deficiencies. The boys and

girls of this town are as much entitled to modern training as are the youth of the other towns.

The Public Schools have completed two centuries of history in the training of the young and we should start the third century with higher ideals for our youth than we have hitherto held.

In our budget we are placing a sum needed to continue the work on the West School, so far as may be required by the Dept. of Public Safety. In addition we ask for enough to replace two ceilings in the Center School, which we proposed to fix last year. This we were unable to do and we have kept the old ceilings in place by stay-laths and careful use of the whole building. They cannot remain longer. We must paint one building, and the furnaces in the High School must be overhauled.

Respectfully submitted,

LINVILLE W. ROBBINS,

Superintendent of Schools

Report of School Physician

To the Board of Education, Northfield, Mass.:

Herewith I submit the annual report of the Medical Department for the year 1936.

Assisted by the District Nurse, Miss Purrington, all the school pupils were examined during the months of October and November.

The following defects were found:

Secondary Anemia	5
Blepharitis	3
Catarrhal Bronchitis	1
Defective Speech	1
Diabetis	1
Defective Hearing	2
Dilatated Heart	2
Irregular Heart	2
Icthyosis	2
Kidney Disease	1
Poor Nutrition	49
Over-weight	10
Poor Posture	105
Defective Sight	28
Decayed Teeth	52
Enlarged Tonsils	30
Under-weight	5

Explanation:

The history of the anemia's showed that all had had some illness and this condition came on during recovery.

Blepharitis is an inflammation of the eye-lids sometimes

with scales, generally means the child has defective sight.

Dilatation and Irregular Heart is found quite often during the examination of school children. It does not always mean the heart is diseased, but the play should be regulated. Under treatment this condition generally disappears as they grow older.

Icthyosis is a deficiency of oil-producing glands in the skin leaving the skin dry and scaley. This condition is not contagious or infectious, and cannot be transmitted from one person ot another.

The number of children with poor nutrition remains about the same as last year. I again recommend that more attention be paid to the school lunches. More nourishing food, and warm drinks at noon will help this condition a great deal. Some constructive work has already been done on warm school lunches and we hope this will continue.

Poor Posture is largely a habit on the part of the student. Proper exercises help a great deal, but this condition cannot be wholly remedied until provision is made for physical exercises of all kinds in the winter as well as the summer months. Satisfactory arrangements are made every year for caring for the defective teeth. The work is well done and improvements are noted from year to year.

An enlarged tonsil is not necessarily diseased, but this condition should be carefully watched especially following sore throats.

The toxin anti-toxin clinic was held in the Town Hall, May 9, and thirty-six children were made immune from diptheria. The clinic will be held again during the month of May, 1937.

Quite a number of cases of mumps were noted during

the fall months, but nothing of an epidemic nature occurred during the past year.

All the school buildings have been inspected at intervals during the past school year. The greatest improvement is noted in the school at West Northfield. The new heating unit with two new toilets, running water with wash bowls, and two bubblers for drinking purposes places this building in the class of a modern sanitary school building.

The sanitary conditions at the Center School is about as good as it is possible to make it with the present building. The over-crowding of pupils in this building continues to make it a problem from the health point of view.

I wish to thank the Superintendent, Teachers, School Nurse, School Board and parents for their co-operation during the past year.

Respectfully submitted,

ALLEN H. WRIGHT,

School Physician

Report of School Nurse

FROM JANUARY 1, 1936 TO SEPTEMBER 1, 1936

To the Superintendent of Schools and the School Committee of the Town of Northfield, I herewith submit a report of my work as school nurse for the period from January 1, 1936 to September 1, 1936:

Number Class Room Visits	326
Number First-Aid Cases	5
Number Home Visits	78
Number Children Visited	93
Number Children Excluded from School	10

Assistance was given the School Physician in the usual Physical Examinations.

Number Children Taken to Greenfield To Oculist	2
Number Children Taken to Greenfield to Chadwick Clinic	4
Number Children Admitted to Health Camp	5

Assistance was given the School Physician in inoculating 36 children against Diptheria in the toxin anti-toxin clinic. Eight of these children were transported.

Assistance was given Dr. Richard Holton in examining school children for Dental Clinic. Twenty-eight children attended the clinics; all of these children were transported.

Respectfully submitted,

CATHERINE H. WILLIAMS, R. N.

FROM SEPTEMBER 1, 1936 TO JANUARY 1, 1937

To the Superintendent of Schools and the School Committee of the Town of Northfield; I submit a report of my work as School Nurse from the beginning of my work September 1, 1936 to January 1, 1937:

Class Room Visits	37
First Aid Cases	3
Homes Visited	34
Children Visited	90
Children Excluded from School	7

Assistance was given the School Physician in the usual physical examinations.

Total Days Spent	17

In addition the following services were given:

Children taken to Greenfield to Oculist	1
Children taken to the Chest Clinic	6
Children who received cod liver oil given by the Fortnightly Club	16
Children Examined in the Well-Child Conference by Dr. Claire Manwell and Staff	35
Children Attended and Transported to Dental Clinic	15

Through the courtesy of Mrs. Helen Duff, Nutritionist of the State Department of Public Health a survey of lunches was made in the schools with the hope of introducing something hot into the schools. Talks to the children were given on school lunches and pictures were shown.

Hygiene and First-Aid was taught to the High School Domestic Science Class.

Scout Community Service has been started.

Respectfully submitted,

EUPHRASIA PURRINGTON, R. N.

Report of Community Nurse

To the Selectmen of the Town of Northfield, I herewith submit my report as District Nurse for the period from January 1, 1936 to September 1 ,1936:

Number Nursing visits	774
Number Adults Taken to Greenfield Chest Clinic	13
Number Adults Taken to Greenfield to Oculist	3
Number Adults Taken to Dentist	3
Number Child Welfare Visits	42
Number Social Welfare Visits	21
Number Public Welfare Visits	62
Number Hours Spent in Office for Public Welfare	89
Number Pre-natal Visits	18
Number of Obstetrics	6

A class in home nursing and first aid was taught to the Girl Scouts.

I wish to extend my appreciation to all who assisted me in my duties as District Nurse.

Respectfully submitted,

MRS. DEAN WILLIAMS

To the Selectmen of the Town of Northfield, I submit a report of my work as Community Nurse from the beginning of my work, September 1, 1936 to January 1, 1937:

1. Health Supervision:
   - (a) Child Welfare Visits 8
   - (b) Social Welfare Visits 45

(c)	Adults Taken to Dentist	1
2.	Maternity Service:	
(a)	Pre-natal Visits	5
(b)	Delivery	4
(c)	Postpartum	4
(d)	Newborn	4
3.	Morbidity Service:	
	(Nursing Visits)	
(a)	Non-communicable	173
(b)	Communicable	1

Ten Seminary girls, from the Welfare Group, made visits with the nurse for the purpose of learning about the Welfare Work in the town.

Through the kindness of some of the townpeople clothing was distributed where it was felt to be needed.

Assistance was given:—

For the packing of food given by the Seminary of Thanksgiving boxes and their distribution.

For the distribution of Christmas boxes given by the Fortnightly and Book Club.

For the placing of individuals for requests of work whenever possible.

I wish to express appreciation to all those who have so kindly helped me in the beginning of my work here this fall.

Respectfully submitted,

EUPHRASIA PURRINGTON

Report of Fire Chief

During the year 1936 the Fire Department answered nineteen calls. Thirteen of these were chimney fires. There was considerable danger of fire at the time of the flood. The danger was not over until four weeks after the water receded. Watchmen were on duty in various parts of the town whereever there was danger of fire under the direction of the Fire Department. We were very forunate in not having any fires at that time.

Respectfully submitted,

GALEN G. STEARNS,

Chief of Fire Department

Report of Gypsy Moth Superintendent

The Gypsy Moth control work carried out by the town this past year, was unfortunately not so extensive as that for the year 1935. Nevertheless the results were gratifying, as the following figures will show:—

Appropriation — $700.00

Egg clusters destroyed 18,400, a daily average of 920 for 3 to 6 men working 20 days, this on roadside work only. For general information, it might be stated here that the Town contains 32 square miles and 72¼ miles of roads.

It is hoped that favorable action will be taken in the appropriation for 1937, which according to State figures should be $817.72. If this amount is raised, it will give the same figure $700 as for the past year, plus the very good chance of obtaining several thousand dollars more for additional work through WPA grants with the balance of $117.72. In the 1935 report it will be seen that an appropriation of $9423 was obtained at a cost of only $100 to the town. In view of the eradication work that should be done, it is sincerely hoped prompt action will be taken.

Respectfully submitted,

RODERIC H. PARKER,

Local Moth Superintendent

Martha W. Alexander Fund

The amount of this fund		$ 8,525 00
Invested as follows:		
Franklin Savings Institution	$ 4,200 00	
Springfield Institution for Savings	1,000 00	
Crocker Institution for Savings	825 00	
Greenfield Savings Bank	1,500 00	
Orange Savings Bank	1,000 00	
		$ 8,525 00

We have received as interest the past year, $257.68, which is much less than in former years, owing to reduction in interest rates in all Savings Banks. We have disbursed but $155.00 and have a balance in the First National Bank and Trust Co. of $102.68 which owing to a certain ruling will not be disbursed until after January 1, 1937.

FRANK H. MONTAGUE
CHARLES L. GILBERT
CHARLES C. STEARNS
Trustees

Report of Committee
On History of Northfield

"A Puritan Outpost" is the title of the History of Northfield written by Hon. Herbert C. Parsons has been completed and is now being published by the MacMillan Co. of New York. It has been given a write-up in their list of books for spring and that it will be completed and on sale in February at the price of $6.00. Your committee are to have 500 copies and the residents of Northfield will have the privilege of obtaining an autographed copy at the cost price of $5.00. Orders sent to the committee now will receive first attention when it comes to delivery, but cash must accompany the order. Parties from out of town may be able to obtain a copy at a little advanced price to cover cost of mailing. Several publishers who read the manuscript submitted to them have spoken in the highest terms of this publication and your committee hopes for a very ready sale for the book.

CHARLES C. STEARNS, Chairman
FRANK W. PEARSALL
A. GORDON MOODY
ARTHUR P. FITT
WILLIAM A. BARR
HERBERT C. PARSONS, Ex-officio

Report of Town Accountant

In compliance with the provisions of Chapter 41 of the General Laws, I submit the following report of the Accountant's Department for the calendar year ending December 31, 1936 including the source of all receipts, detail of appropriations and expenditures, statement of trust funds and town debt, and a balance sheet showing the financial condition of the town, January 1, 1937.

FRED H. DOOLITTLE, Town Accountant

FRED H. DOOLITTLE, Town Accountant

Report of State Auditor

To the Board of Selectmen
Mr. Fred A. Holton, Chairman
Northfield, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Northfield for the year ending December 31, 1936, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Northfield for the year ending December 31, 1936, and submit the following report thereon.

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined and checked.

The books and accounts of the town accountaint were examined and checked in detail. The recorded receipts were

checked with the treasurer's record of receipts, while the recorded payments were checked with the selectmen's warrants and with the treasurer's books.

The appropriations as listed from the town clerk's record of town meetings were checked with the ledger appropriation accounts, while all other ledger accounts were checked with information in the departments in which the transactions originated. The transfers from the reserve fund were compared with the authorization for transfers given by the finance committee.

The ledger was analyzed, a trial balance was taken off, and after the necessary adjustments were made, a balance sheet, showing the financial condition of the town on December 31, 1936, was prepared and is appended to this report.

The books and accounts of the town trasurer were examined and checked. The receipts, as recorded, were compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the treasury warrants authorizing them. The cash book was footed, and the cash balance on December 31, 1936, was proved by actual count of the cash in the office and by a reconciliation of the bank balance with a statement furnished by the bank.

The tax title deeds in custody of the treasurer were checked and reconciled with the collector's accounts and the accountant's ledger.

The securities, including savings bank books, representing the investment of the trust funds in the custody of the town treasurer were examined and listed, the income and withdrawals being checked and verified. The sum of $261.25 in the treasurer's cash representing the principal of the Bel-

cher Library Fund should be transferred to the trust fund.

The books and accounts of the tax collector were examined and checked in detail. The taxes oustanding at the time of the previous examination were audited, and all subsequent commitments of taxes were added and proved with the assessors' warrants. The recorded collections were checked, the payments to the treasurer were verified, the abatements, as recorded, were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and proved with the ledger accounts.

Verification of the outstanding accounts was obtained by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the outstanding accounts, as listed, are correct.

It is recommended that the collector, when making payments to the treasurer, specify clearly the amount of taxes and interest included in the turnover, giving also the year of assessment to which the payments are applicable.

The surety bonds of the treasurer, tax collector and town clerk for the faithful performance of their duties were examined and found to be in proper form.

The financial accounts of the town clerk were examined. The receipts for dog and sporting licenses were checked with the records of licenses issued. The payments to the treasurer and to the Division of Fisheries and Game were verified.

The records of licenses granted by the selectmen and issued by the town clerk were examined and checked. The recorded receipts were checked with the records of licenses granted, and the payments to the treasurer were verified.

The records of charges for rental of town property were

checked, the payments to the treasurer being compared with the treasurer's cash book.

The accounts of the sealer of weights and measures were examined and checked. The recorded receipts were checked with the records of work done, and the payments to the treasurer were verified.

It is recommended that the amount of $8.71, representing overpayments to the treasurer by the sealer in 1935 and 1936 and shown on the appended balance sheet, be refunded to him.

The records of charges of the public welfare, school, and cemetery departmnt were examined and checked. The commitments were reconciled with the accountant's ledger, the recorded collections were compared with the payments to the treasurer, the disallowances and abatements were checked, and the outstanding accounts were listed and proved.

It is recommended that all charges and disallowances affecting these departments be reported to the accountant promptly, so that his ledger may reflect the true financial condition of the town at all times.

The recorded receipts of the community nurse were compared with the payments to the treasurer. The savings bank books, representing the investment of trust funds in the custody of the selectmen and the trustees of the Martha W. Alexander Charity Fund were examined and listed. The income and withdrawals were checked and the cash balance in the custody of the trustees was proved by reconciling the bank balance with a statement received from the bank.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the transactions and condition of the trust funds.

While engaged in making the audit, co-operation was received from all the town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Ass't Director of Accounts
